CAREERS

For Career Day, first and second grade dressed up as what they wanted to be when they grow up and presented their career choice to the class. They dressed up as : a football player, police officers, vets, pediatrician, substitute teacher/mom, baker, gymnast, horse riding instructor, and a construction worker.

Throughout the month, we had various guests in our classroom presenting their careers. Thank you to those who gave their time to encourage the class with the future possibilities: Katelyn Neff (combat medic), Annie Brenner (material engineer), Micah Neff (hair stylist), Seth Jamison (ICU nurse), and Melissa Evans (orthodontist).

MAKER SPACE

donations wish list

During maker space time, we like to do messy activities such as slime, playdough, and create reactions with vinegar and baking soda. These items are very inexpensive, but we end up going through them very quickly. If you're out at the store and are able to grab a box/bag/bottle of something for us to use in the maker space, here is a list of the things we like to use for messy activities:

White or clear liquid school glue
Corn starch
Baking soda
Vinegar
Liquid food coloring
Flour
Cream of tartar (for playdough)
Contact solution - great value brand (for slime)
Zip lock bags (quart or gallon size)
Dish soap
Foam (not gel) shaving cream
Vegetable oil
VO5 Conditioner - or other cheap brand
Salt

All donations are welcome at any time in any size.

Please drop any donations off at the main office (with a note indicating who they are for) or they can be brought directly to the Maker space and left on a table if no one is in the room.

OLD NEWSPAPERS NEEDED

We are in need of newspapers and paper tubes in the art room. If you don't keep your newspapers and old paper towel rolls, etc. we can use them!

Thank you!
