

Merry Christmas!

"You are the light of the world. A town built on a hill cannot be hidden."
(Matthew 5:14)

This Christmas season, we are reminded of Jesus' call for each of us to shine His light in a world longing for hope and love. At Corning Christian Academy, we take this call to heart by equipping our students not only with knowledge but with the character to reflect Christ's love through their actions.

Our students are living out the motto—Love, Serve, Lead—by being active in our community. They have prepared care packages for local shelters, visited nursing homes to bring joy to the hurting and the sick, written letters to military members away from home, and they have made meals to bless families in need.

Each act of service radiates the love of Christ, demonstrating what it means to be the light of the world.

As we celebrate this season of giving, we invite you to partner with us in empowering the next generation of leaders who shine their light boldly. Your support will help us continue to provide scholarships, ensuring no child is turned away from receiving a Christ-centered education, enhance our facility to create an environment where learning and discipleship thrive, and expand educational programs that nurture students' gifts and abilities to serve others.

Your generous donation can help us make a profound difference in the lives of our students and our community. Together, we can spread the light of Christ far and wide.

Thank you for considering this opportunity to support Corning Christian Academy's mission and investing in the future of these students!

May your Christmas be filled with His peace and light.
